About the CDHF

The Colonel Davenport Historical Foundation (CDHF) is a nonprofit volunteer group that works to preserve Colonel George Davenport's former home and share his story with the community. The Colonel Davenport House was built in 1833-1834 and is on the North end of Arsenal Island in the Quad Cities. Colonel Davenport was the first permanent white settler in the Quad Cities and was the first house built in the area. The house is listed on the National Register of Historic Places. The Foundation relies on volunteers to maintain and operate the house. It is open for tours from May through October. For more information, visit their website at www.davenporthouse.org.
